

LAS Helping Hands

Annual Candy Cane -O-Gram

Sponsored by the Livingston Avenue School PTA

While the holiday season is a festive time for most, this year promises to be difficult for many. The PTA's Helping Hands program collects money for Livingston Avenue School families that might need a little help getting through the holidays or any time of year. It is strictly confidential and done through the Livingston Avenue School Principal, Mr. Deacon, who is keenly aware of unique situations within our school community. From December 1-16, 2016, we ask LAS families to lend a "Helping Hand" by participating in our "Candy Cane-O-Gram for Helping Hands" sale. Students can buy and send candy cane -o- grams to friends, teachers, and staff in our school. All proceeds will go into our Helping Hands Account, which is used to help out a student or family within our Livingston Avenue School Family.

This year we will deliver all of your messages, and each student will receive an assorted candy cane bouquet/bundle. Please fill out the attached form, which will be the actual message delivered with the candy canes. Please print clearly, include all requested information (3N, 3K, 3T, 3G, 4C, 4Ri, 4Ro, 4Rz, 5F, 5M, 5R, 5T), **CUT OUT** each slip along the dotted line, and return them to the PTA box along with your cash or check for \$1.00 per message on or before December 15th. Find additional order forms in the main office or print them from the PTA website.
