

Livingston Avenue School

The PTA is the oldest and largest child advocacy association in America. Today's PTA is comprised of nearly 5 million parents, teachers, grandparents, caregivers, foster parents and other caring adults who share a commitment to improving the education, health, and safety of all children. We speak with one voice for every child.

Today, the issues that affect our children extend beyond the walls of LAS. The PTA's nationwide network provides the forum and tools to collectively influence the decisions that affect children throughout their districts, within their states and across the nation. This mission is unique to the PTA.

Here at LAS, PTA membership funds many of the exciting and enjoyable activities our children look forward to each year. Let's work together to reach our goal of 100% membership.

Everyone is invited to join the LAS PTA family. Your \$10.00 membership fee, per parent or guardian, enables us to jump-start funding, so we can continue to provide programs that help make our schools so special.

Thank You, Nicole Cippoletti, PTA Membership Chairperson
